ABOUT THE DEPARTMENT

DEPARTMENT OF BUSINESS ECONOMICS, SOUTH CAMPUS, UNIVERSITY OF DELHI

► In 1973, the Department of Business Economics, under the prestigious University of Delhi, pioneered a Masters Program in Business Economics earlier known as MBE, combining fundamentals of economic analysis with the practical aspects of business. Over the years, the department has evolved into a mature management institute with national reputation, imparting high quality education to the students. In the year 2015, the Department awarded the industry with its new robust and comprehensive course structure MBA (Business Economics) in place of MBE.

► An eclectic and erudite group of faculty, academicians, researchers and professionals, with their vast pool of managerial expertise, gives the department its distinctive edge and an exalted stature. In addition to its Masters programme, the department also administers Ph.D. program in varied business and economic research fields. Today the Department takes immense pride in generating professionals, well versed with the quantitative and qualitative methods of business research.

► In its illustrious **history of 43 years**, the Department of Business Economics holds pride of place in training business leaders and academicians. Over the years, the department has fostered strong alliances with corporate houses and retained its position as their preferred recruitment destination.

Message from Head of the Department

Prof. V. K. Kaul
M.Com., M.Phil., Ph.D.

In 1973, the Department of Business Economics, under the prestigious University of Delhi, pioneered a Masters Program in Business Economics earlier known as MBE, combining fundamentals of economic analysis with the practical aspects of business. Over the years, the department has evolved into a mature management institute with national reputation, imparting high quality education to the students. In the year 2015, the Department awarded the industry with its new robust and comprehensive course structure MBA (Business Economics) in place of MBE.

An eclectic and erudite group of faculty, academicians, researchers and professionals, with their vast pool of managerial expertise, gives the department its distinctive edge and an exalted stature. In addition to its Masters programme, the department also administers Ph.D. program in varied business and economic research fields. Today the Department takes immense pride in generating professionals, well versed with the quantitative and qualitative methods of business research.

In its illustrious **history of 43 years, the** Department of Business Economics holds pride of place in training business leaders and academicians. Over the years, the department has fostered strong alliances with corporate houses and retained its position as their preferred recruitment destination.

Message from Placement Advisor

Dr. Yamini Gupt Faculty Placement Advisor

Since its inception, the department of Business Economics has strived to keep its curriculum and training methodology in line with the needs of the industry. The changes in the curriculum from academic session 2015-16 onwards are a reflection of the Department's commitment to adapt itself to a changing global economic scenario and consequent changes in business environment. The students at DBE are encouraged to apply the basic knowledge they gain of all disciplines to solve problems and case studies. The blend of theoretical knowledge and its application prepares our students to face challenges in their respective professions. The focus is on grooming students to think, communicate, and work independently as well as in a team. Managers who can think dynamically and take well informed decisions are the real assets of organizations. During the course of 2 years, students at DBE are trained to carefully analyse situations before taking business decisions.

Every year, the course attracts an eclectic mix of organizations offering profiles in the field of Consulting, Marketing Research, Analytics and Business Modelling, Financial Analysis and Valuation, and Economic Journalism among others. The number and diverse nature of companies being added to our 'regular recruiters' list each year mirrors our belief that we, at DBE, train managers of tomorrow. As the faculty placements advisor, it is my privilege to invite you to be associated with our department.

Under the ambit of
Delhi University

Synergy between
business management
as art and data
analysis as science

Rigorous selection: 95.6
Average CAT percentile
Average Work Ex: 22
Months

MBA (BE) Advantage

Founded in 1973, the department is a centre of excellence imparting quality education to its students. The course structure promotes a symphonic amalgamation of: A strong foundation of economics and business fundamentals, a distinctive understanding of quantitative techniques in business and their application and development of soft skills and practical knowledge. The rigorous multi stage selection process conducted by the academicians and industry professionals, ensures that only the best get through.

Some key advantages include –

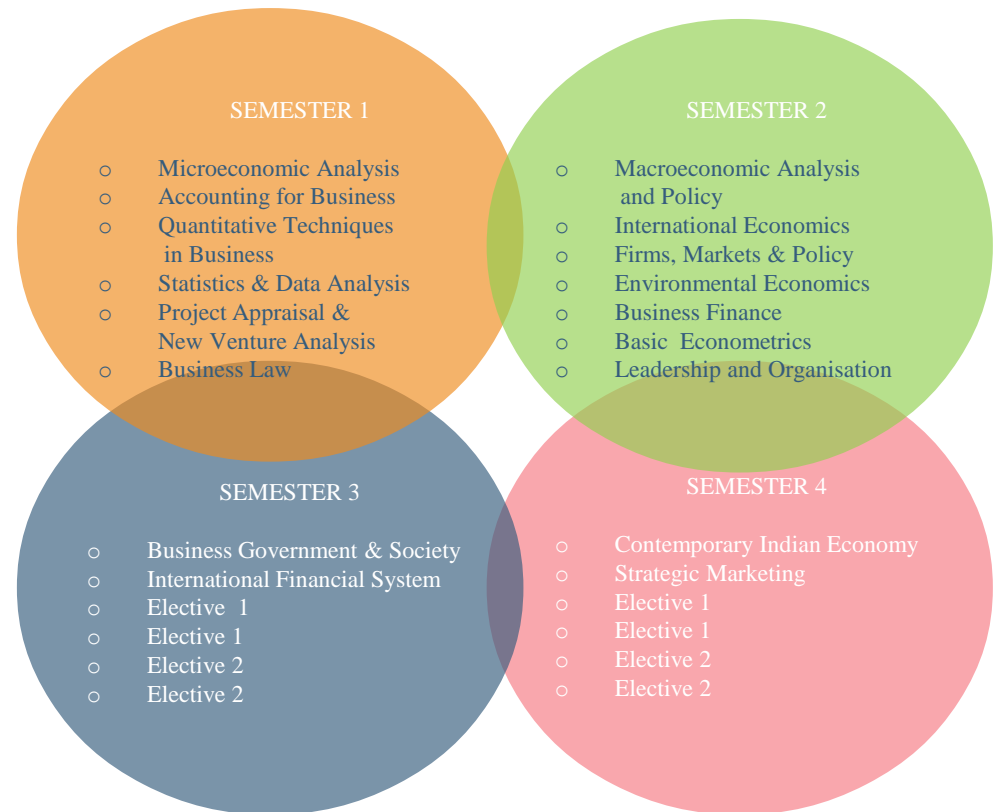

- Emphasis on quantitative techniques in business and their application
- Focus on both practical and theoretic learning
- Students equipped with knowledge of SAS and other statistical tools
- Weekly seminars, regular guest lectures by industry stalwarts and academicians
- Student managed committees and clubs

Course Curriculum

The two-year MBA(BE) program is divided into four semesters. The first year curriculum builds fundamentals of statistics, economics and various aspects of business as finance, marketing, corporate law etc.

The second year offers plethora of opportunities whereby the students can choose 2 specialization papers from 4 groups that are offered.

The students are also required to undergo at least 6 weeks of practical summer training with a reputed organization working on real-life business projects.
