ABOUT THE DEPARTMENT

In 1973, the Department of Business Economics, under the umbrella of the prestigious University of Delhi, ushered in Masters Program in Business Economics baptized simply as MBE. It offered a unique blend of theoretical excellence flavored with the ground realities of the Business World. “Change is the only constant” is an adage that the Department acknowledges. To that end, it kept updating itself as per requirement culminating with the introduction of MBA in Business Economics which replaced the earlier MBE program in 2015.

An eclectic and erudite group of faculty, researchers, and professionals, with their vast pool of managerial expertise, gives the Department a distinctive edge and an exalted stature. Today the Department takes immense pride in the students who pass through its hallowed halls and the lasting impact that they have on the industry through their qualitative and quantitative expertise of their domain.

In its illustrious history of 47 years, The Department of Business Economics has established itself as an epitome of excellence. Over the years, the department has fostered strong alliances with corporates houses and retained its position as their preferred recruitment destination.

Prof. Rashmi Aggarwal

Head of Department

MESSAGE FROM HEAD OF THE DEPARTMENT

In an interconnected world, the way business is done is changing very fast. Some of the old businesses are fading and are being replaced by new giants. Many of the 'brick and mortar' industries are giving space to new knowledge and internet based industries. The changes have thrown many challenges as well as opportunities in the new globalized world. The process of change has been accelerated by the introduction of Information and Communications Technology (ICT) as well as the liberalization of trade and investment.

It is in this scenario that a business management mindset has to be evolving and dynamic in approach and an attitude which requires a deeper understanding of the macro

economic and social environment has to be developed. A strong foundation is a must for developing an analytical approach towards business and government policies in the national and international arena. The Department of Business Economics thrives to provide this foundation by exposing the students to the latest and relevant course curriculum. During the two-year's Masters programme, the students are able to acquire strong analytical skills – both Quantitative and Qualitative – which equip them to face and overcome the challenges in their respective professions. Over the years, the students of the department have achieved senior positions in many national and international organizations as business analysts, financial

planners, economic policy makers, academicians, management consultants etc.

As a result, the department has been able to create a niche for itself in the industry and is able to attract among the best students to the course. The diversity of the students with varied background such as Engineering, Economics, Commerce and Sciences helps the students to learn from each other. The students with work experience add fervour to the discussions and debates, both inside and outside the classroom. As the head of the department, I take this opportunity to invite you all to be associated with us.

Dr. Yamini Gupta
Faculty Placement Advisor

MESSAGE FROM PLACEMENT ADVISOR

Since its inception, the department of Business Economics has strived to keep its curriculum and training methodology in line with the needs of the industry. The changes in the curriculum from academic session 2015-16 onwards are a reflection of the Department's commitment to adapt itself to a changing global economic scenario and consequent changes in business environment.

The students at DBE are encouraged to apply the basic knowledge they gain of all disciplines to solve problems and case studies. The blend of theoretical knowledge and its application prepares our students to

face challenges in their respective professions. The focus is on grooming students to think, communicate, and work independently as well as in a team. Managers who can think dynamically and take well informed decisions are the real assets of organizations. During the course of 2 years, students at DBE are trained to carefully analyse situations before taking business decisions.

Every year, the course attracts an eclectic mix of organizations offering profiles in the field of Consulting, Marketing Research, Analytics and Business Modelling, Financial Analysis and Valuation, and Economic

Journalism among others. The number and diverse nature of companies being added to our 'regular recruiters' list each year mirrors our belief that we, at DBE, train managers of tomorrow. As the faculty placements advisor, it is my privilege to invite you to be associated with our department.

INSPIRATIONAL MENTORS

Prof. V. K. Kaul

M.Com., M.Phil., Ph.D.

Subject: International Marketing, Business Policy & Strategy

Research Interest: Small Enterprises & Clusters, Knowledge Based System & Economics, International Business & Marketing Strategies, Strategic Management

Prof. Rashmi Aggarwal

MBA(BE), Ph.D. (IIT Delhi)

Subject: Project Appraisal & Investment Planning, Economics & Natural Resources Management

Research Interest: Environmental Economics, Project Appraisal, Investment Planning, Labour Economics

Dr. Yamini Gupta

MBE, M.A., Ph.D. (Clark, U.S.A.)

Subject: Firms, Market & Public Policy, Basic Econometrics, Time Series, Business Forecasting

Research Interest: Spatial Economics, Issues of Industrial Pollution & Land Use Change, Economic Activity in Formal & Informal Sector in Solid Waste Management, Higher Education

Dr. Ananya Ghosh Dastidar

M.A., M.Phil., Ph.D. (C.E.S.P., J.N.U.)

Subject: Macro Economics, Econometric Methodology, Indian Economics

Research Interest: International Economics, Development Economics (Issues of Poverty & Income Inequality in Developing Countries)

Mr. Chander Mohan

M.A. (Economics), M.Phil.

Subjects: International Trade and Business, Economics of Services

Research Interest: Agricultural Economics (hill/mountain agriculture) and Environmental Economics/Tourism

Mr. Sunil Kumar

M.A., M.Phil.

Subjects: Advanced Econometrics, Game Theory, International Economics

Research Interest: Agricultural Economics, International Economics, Quantitative Techniques in Business

Ms. Tuhina Roy

M.A. Economics, Mphil - Ph.D - Pursuing

Subjects: Financial Derivatives, Simulation and Modeling, Contemporary Indian Economy

Research Interest: Industrial Growth, Quantitative Techniques and Economics Development

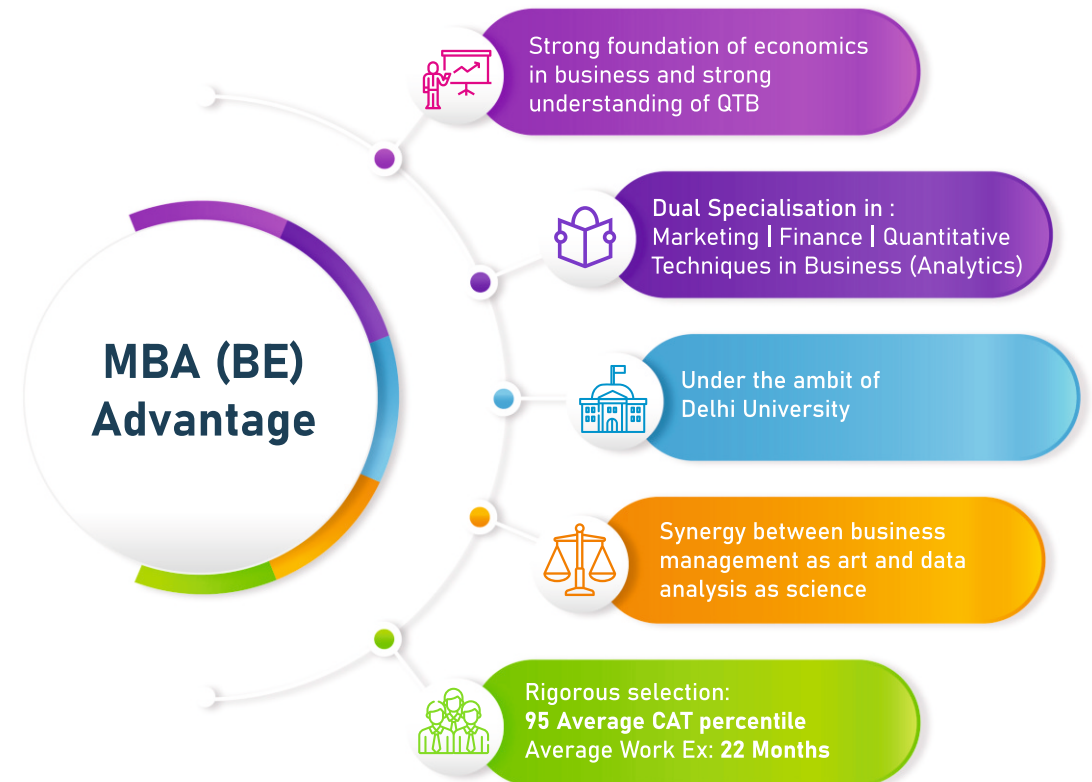

MBA (BE) ADVANTAGE

Founded in 1973, the department is a centre of excellence imparting quality education to its students. The course structure promotes a symphonic amalgamation of: A strong foundation of economics and business fundamentals, a distinctive understanding of quantitative techniques in business and their application and development of soft skills and practical knowledge. The rigorous multi stage selection process conducted by the academicians and industry professionals, ensures that only the best get through.

Some key advantages include -

- Emphasis on quantitative techniques in business and their application.
- Focus on both practical and theoretic learning.
- Students equipped with knowledge of SAS and other statistical tools.
- Weekly seminars, regular guest lectures by industry stalwarts and academicians.
- Student managed committees and clubs.

COURSE CURRICULUM

The two-year MBA(BE) program is divided into four semesters. The first year curriculum builds fundamentals of statistics, economics and various aspects of business as finance, marketing, corporate law etc.

The second year offers plethora of opportunities whereby the students can choose 2 specialization papers from 4 groups that are offered.

The students are also required to undergo at least 6 weeks of practical summer training with a reputed organization working on real-life business projects.

First Semester

- Microeconomic Analysis
- Accounting for Business
- Quantitative Techniques in Business
- Statistics & Data Analysis
- Project Appraisal & New Venture Analysis
- Business Laws

Second Semester

- Macroeconomic Analysis & Policy
- International Economics
- Firms, Markets & Policy
- Environmental Economics
- Business Finance
- Basic Econometrics
- Leadership and Organisation

Third Semester

- Business Government & Society
- International Financial System
- Elective 1
- Elective 2
- Elective 3
- Elective 4

Fourth Semester

- Contemporary Indian Economy
- Strategic Marketing
- Elective 5
- Elective 6
- Elective 7
- Elective 8

STUDENT COMMITTEES & CLUBS

MARKQUEST 2020

The Department of Business Economics organized MarkQuest '20, the flagship event of MarkiBiz - The Marketing Club on 22nd February 2020 based on the theme.

“Tradigital Marketing – Traditional Marketing in the Digital Era”

The highlight of the event was the culmination of the case study competition MarkQuest under the expert purview of Raunak Singh from Havish M Consulting.

The day began with an address by Mr. Vivek Debuka (CMO, DexLab Analytics) who shared his insights on Guerilla Marketing.

The event included a panel discussion by the esteemed guests on the topic “Digital Marketing vs Traditional Marketing: Dual tone of going Traditional”

The Panel consisted of following panelists:

- Mr. Amit Tiwari** (VP Marketing, Havells India)
- Mr. Suraj Saini** (Project Leader, Bain Capability Network)
- Ms. Richa Singh** (CEO, Shudh Plus Hygiene Products)
- Mr. Abhishank Babbar** (Associate Director, Genesis BCW)
- Mr. Gautam K Sur** (VP Marketing, Tripshelf)

MOOLYANKAN 2020

The Department of Business Economics successfully organized Moolyankan'20, the flagship event of Bluechips Club on the 18th January, 2020.

The Department was fortunate to be graced by the presence of Mr. Yash Arora, Chief Financial Officer, Indian Oil- Adani Gas Pvt. Ltd. He enlightened the gathering through an excellent presentation on "Merger and Acquisition". His explanations dwelled on various aspects of merger and acquisition including types, reasons and the problems integrated with it.

This was followed by Mr. Saurabh Jain , Vice President - Finance, Mobikwik who shared his thoughts on the topic "Role of Fintech in Changing Financial Landscape in India".

The Event came to its end with a panel discussion on "Digitalization Wave in Financial Industry" which highlighted various issues regarding implementation of blockchain, digitalization in urban and rural areas, Tokenization and how it helps in the preservation of sensitive data. Discussion witnessed enthusiastic participation from the eminent speakers like:

Mr. Jogendra Singh

(Senior Vice President - Finance, Hero Corporate Service)

Ms. Pooja Kheterpal

(Vice President - Finance, FCB Ulka)

Mr. Vivek Bajpai, CFA

(Assistant Director, Moody's Analytics)

VISHLESHAN

Data is the new oil and along with it comes a whole laundry list of unprecedented issues. The theme of the year's Vishleshan organized by Datamatics: The Analytics Club of the Department sought to tackle these very issues in the form of panel discussions revolving around hot button topics such as "Data Ethics & Security: Need for Informed Consent on Digital Platforms", "Data Governance: A Big Picture", "Data Protection Regulation and its Effects on Data Collection". The Event also had a case study competition that put the participants analytics skills on trial.

HR CONCLAVE

We're at a critical juncture. A monumental shift is occurring that will impact the way everyone works and learns. The Fourth Industrial Revolution is ushering in cyber-physical systems involving entirely new capabilities for people and machines. No industry is immune. Sweeping advancements in technology will require augmenting current skills and developing new ones to meet the demands of the future. Not just proficiency skills, but social and managerial skills that will have a tremendous impact on how everyone and every “thing” work together.

The relevancy of above grows more and more every single day. The Department organized HR Conclave sought to tackle many of these issues with riveting discussions around topics like “The Future Looks Bright. Or Does It? How to Navigate the New Skills Economy?”, “Importance of HR in bridging the gap between the Gen-X and Gen-Y.” etc.
